# Alternative Sketch Plan Imagery

## Lexington Downtown Plan

### City of Lexington, Virginia

Note: These sketches illustrate an array of possible plan and program elements identified in Alternative Sketch Plans A, B & C. They are visual aids and are conceptual in nature. They are not intended to represent specifically the actual program or design elements of a preferred downtown plan. Further planning, along with added stakeholder and public input will determine the actual preferred plan elements.

Date: 10/17/12
